

TITLE: AUDITED CLASSES

A student may elect to audit one or more courses. Permission to audit a course is given by the Vice President of Student Services and the course instructor. Priority in registration will be given the students who are registering for credit.

An audited course is one in which no credit is granted. A student must pay the same tuition and fees as those students taking the course for credit. Once a student registers to audit, he/she cannot have it changed to a credit basis. Audit students are subject to the same attendance requirements as students taking the course for credit. Auditing students can participate in examinations only if the instructor gives his approval. Although no credit is given for audited courses, they are recorded on the student's permanent record with the letters "AU" after the course.

All audit applications must be completed prior to the start of the semester. Students are prohibited from changing status once the semester has begun.

Date of Adoption: 10/30/84
