

TITLE: INDEPENDENT/DIRECTED STUDY

Students may pursue study on an independent or directed study basis for all courses offered by the College. Independent study courses are normally offered for capable students who require minimal Instructor interaction. Permission to enroll in an independent study or directed study course will be granted under the following conditions:

1. For a course appropriate to the student's program of study, if the lack of enrollment in that course precludes it's being offered as a scheduled class.
2. For documented, extenuating, personal circumstances which preclude an individual's enrollment in a scheduled class appropriate to his/her program of study. Such cases must be approved by the appropriate Vice President.
