

TITLE: LONG - RANGE PLANNING

The Board of Trustees is committed to Long-Range Planning. With the rapidity of change in the external and internal environments, strategic planning is a necessity in order to ensure the viability of the mission of the college. The office of the President has the central role and responsibility for this planning function, and will utilize the counsel of, and may delegate planning functions to, the institutional Fiscal Priorities and Strategic Planning Committee, as established in Appendix J of the Master Agreement Between Gogebic Community College and the Michigan Association of Higher Education Gogebic Community College District.

A copy of current Appendix J to be attached to policy for reference.

Date of Adoption: 10/29/85
