

**TITLE: LEGAL COUNSEL**

The Board of Trustees, in consultation with the President, may appoint legal counsel to represent the college and to advise the Board according to the purposes to be served. The President and those appointed by the President are authorized to utilize board approved legal counsel as needed. Legal counsel shall attend regular and special meetings of the Board when requested and be available for consultation as needed.

Recognizing that there are times when other legal counsel is desired, and it may be untimely to wait for the Board to appoint such counsel, the President is authorized, after consultation with the Board Chair, to seek and retain such services. The President shall advise the full Board of such actions at the earliest practical time in the most expedient manner.
