

**TITLE:           STUDENT ASSESSMENTS**

Gross summary data from Student Assessments may be used by the college as an index of institutional and instructional effectiveness. Student Assessments may be utilized by a faculty member or the college administration as an aid in evaluating instructional performance and curriculum. Student Assessments shall not be used in the written annual evaluation of faculty members, nor for the imposition of any discipline.

Date of Adoption: 10/31/89

Revised: 1/29/92, 4/30/13
