

TITLE: CAMPUS DISORDERS

The following resolution was adopted by the Board of Trustees of Gogebic Community College and is hereby in effect in accordance with the acts passed by the Michigan Legislation on Campus Disorders:

As attendance at a tax-supported institution is not compulsory, it must be considered to be optional and voluntary. By voluntary attendance at this institution, the student assumes the obligations of performance and behavior reasonably imposed by the rules and regulations of Gogebic Community College relevant to its lawful function.

The Board of Trustees recognizes the desire of students, faculty and administrators for involvement in a relevant college program. They recommend that students, faculty and administrators use tolerance in arriving at the goals desired by each. Student involvement in affairs of the college will be encouraged and avenues of communication will be provided, but student, faculty and administrative abuse of the democratic process will be firmly resisted.

The Board, therefore, directs faculty and administration to carry out their assignments so as to avoid discrimination, deprivation of due process, or capricious, clearly unreasonable or unlawful actions. It wishes to emphasize that no person may, without liability to lawful discipline, intentionally act to impair or prevent the accomplishment of any lawful function of Gogebic Community College.

Any employee arrested and convicted of rioting, inciting to riot, or interfering with authorities establishing or restoring law and order, will be discharged.

Any student who willfully or knowingly causes destruction of college property, or who materially and substantially disrupts the work and discipline of the college will face suspension or dismissal subject to the provisions of Series No. 462.
