

**TITLE: ACCESS CORRIDORS TO COLLEGE PROPERTY**

It shall be the policy of the College to deny requests for access to corridors to College property, including parking lots and access roads, except as the same presently exist. The College shall deny easements, licenses, and leases to said property, and shall prosecute or otherwise stop trespass to said property. Any exception to the above-stated policy shall only be allowed where it is determined that the said access, use or possession is solely in the best interest of the College.
