

TITLE: SECURITY OF BUILDINGS AND GROUNDS POLICY

Buildings constitute one of the greatest investments of the College. It is in the best interest of students and taxpayers to protect that investment adequately.

Security means more than having locks and being sure that they are locked at the proper times. Security also means:

- Minimizing fire hazards.
- Reducing the probability of faulty equipment.
- Guarding against the chance of electrical shock.
- Keeping records and funds in a safe place.
- Protecting against vandalism and burglary.

The President is directed to establish such rules and regulations as may be needed to provide for security in the sense outlined above.

It will be the policy of the Board of Trustees to vigorously seek restitution from all individuals, and/or parents of individuals as appropriate, responsible for damage to College property through negligence, malicious mischief or vandalism.
