What is copyright?

Copyright is a form of protection provided by the laws of the United States (title 17, U.S. Code) to the authors of "original works of authorship," including literary, dramatic, musical, artistic, and certain other intellectual works. This protection is available to both published and unpublished works. Copyright Policy for Gogebic Community College

Excerpts or Photocopies Included in an Original Work of Authorship

- Inclusions in an original work of authorship should be kept to less than 500 words or 5% of the quoted work, whichever is less. (This limit applies to the sum of the quotes from a single work.) For anything longer, the College encourages the author to seek permission.
- All excerpts, quotations, photocopy inclusions, etc. Should have the source clearly identified.
- Charts, graphs, etc. will be judged on a case by case basis considering the purpose and character of the use and the nature of the original work. In general, including one chart from each work or periodical would be acceptable.
- Excerpts with copyright permission are welcome. A copy of the written permission from the copyright holder must be placed on file with the College.
- Cartoon strips are protected under the copyright law.

Getting Permission

- Call the copyright holder for permission. Be prepared with:

- ✓ The name of your organization, Gogebic Community College.
 - ✓ Book title.
 - ✓ The extent of the exact excerpt, (e.g. "Book 'Y', pages 201-203, beginning with paragraph 2, ending with paragraph 4.")
 - ✓ How large is the work it will be included in.
 - ✓ The number of copies that are going to be made.
 - ✓ The exact use of these copies.
 - ✓ Is this excerpt/article going to be reprinted as it was originally published or will it be edited? If it will be edited, what is going to be changed?
 - ✓ The College will be charging the cost of reproduction and a small handling fee.
- If a written request is necessary, fax it if possible. Most publishers will allow faxed requests for copy permission. This will expedite the request.
 - Be sure the copyright holder sends written permission. Verbal agreements are not sufficient.
 - Please be aware that some works have multiple copyright holders. If this is the case, you must obtain permission from all parties.

Library

- The Library will not make copies of works in its holdings in order to place multiple copies on its reserve shelf. Single originals or copies through inter-library loan may be put on reserve.
- The Library will not put on reserve copies made by another party without the permission of the copyright holder.

Requiring students to make copies

- A student cannot be required to make copies by a faculty member. Conducting a class as if the students have all made copies of "suggested" materials violates the spirit of this policy.

Performance

- Making a copy of copyrighted performance material is an infringement.

Public Domain

- Some older works are no longer under copyright protection. Also, some current works have not claimed copyright protection. Remember, you must still give proper credit to the source.
- Please be aware, however, that older works may have been revised and updated. The publisher and/or editor will usually claim copyright protection in the revised work. The changes included in the revised works are protected by copyright.

"Spur-of-the-Moment" Handouts for Class

- An instructor may make multiple copies of material for classroom use if the Guidelines of Brevity, Spontaneity and Cumulative Effect are followed.

Brevity

- ✓ Prose: (a) Either a complete story or essay of less than 2500 words, or (b) and excerpt from any prose work of not more than 1000 words or 10% of the work, whichever is less.
- ✓ Illustration: One chart, graph, diagram, drawing, cartoon or picture per book or periodical issue.

Spontaneity

- ✓ The copying is at the inspiration and insistence of the the individual teacher, and
- ✓ The inspiration and decision to use the work and the moment of its use for maximum teaching effectiveness are so close in time that it would be unreasonable to expect a timely reply to a request for permission.

Cumulative Effect

- ✓ Not more than one short work or two excerpts may be copied from the same author, nor more than three from the same collective work or periodical during one class term.
- ✓ There shall not be more than nine instances of such multiple copying for one course during one class term.

Prohibitions

- ✓ Copying shall not be used to replace or to substitute for anthologies, compilations or collective works.
- ✓ There shall be no copying of works intended to be consumable in the course of the study or of teaching.
- ✓ Copying shall not:
 - substitute for the purchase of books, publisher's reprints or periodicals;
 - be directed by a higher authority; or
 - be repeated with respect to the same item by the same teacher from term to term.

It is the faculty member's responsibility to police his or her own work with regard to this policy, and when necessary, to pursue permission from the copyright holder.

Why is illegal file-sharing an issue?

GCC strongly supports copyright law and other protections for intellectual property rights. We are actively promoting awareness about copyright. Any sharing or distribution of copyrighted material on the college network or equipment is a breach of the Acceptable Use Policy for Information Technology, and can lead to disciplinary proceedings and legal action.

One of the policies of the Higher Education Act requires institutions to develop plans for giving students legal ways to download music and movies and to explore technologies to stop illegal peer-to-peer file sharing.

What is Peer-to-Peer (P2P)?

Peer-to-Peer file sharing is a technology that allows computer users to download files from each other using the Internet.

In a peer-to-peer relationship, each computer acts simultaneously as a client and server. P2P users store files on their computers and the P2P application enables other users to download those files onto their computers.

Examples of P2P applications include BitTorrent, KaZza, Limewire, and BearShare.

See also Wikipedia article on Peer-to-peer: <http://en.wikipedia.org/wiki/Peer-to-peer>

What are the dangers of using P2P?

Copyright infringement – P2P technology makes it possible to illegally share files that are copyrighted. Federal law prohibits the reproduction, distribution, public display or public performance of copyrighted materials over the Internet without permission of the copyright holder. Gogebic Community College complies with the federal Digital Millennium Copyright Act of 1998 and has the measures in place for tracking alleged incidents of copyright infringement.

Malicious software – P2P is also used by attackers to transmit malicious code such as spyware, malware, or viruses into the files.

Identity theft – Exposure of personal information is also possible when using P2P. P2P users may leave themselves wide open to identity theft by misconfiguring their computer settings.

How do I ensure I'm in compliance with the law?

Don't install P2P applications on your computer. If you download or distribute copyrighted material, even unknowingly, you may be faced with campus disciplinary or legal action.

Secure your wireless router. You can be held responsible for any illegal activity, even unknowingly, that occurs on your unsecured router.

What are the consequences if I get caught?

Gogebic Community College receives notices from RIAA, DMCA and other content owners that copyrighted material has been infringed by a user on the college network. Once the user is verified, the user is forwarded a copy of the notice and is ordered to cease and desist any illegal activity.

If a subpoena is issued by the RIAA, by law, GCC is required to provide the identity of alleged infringers. You then risk further legal action.

Offenders will be referred to the Vice President of Students. Depending on the severity of the offense, disciplinary action can range from termination of GCC network privileges to expulsion from the college.

Additionally, there may be Civil and Criminal Penalties for Violation of Federal Copyright Law. See below for information:

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. A court can, in its discretion, also assess costs and attorney's fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov, especially their FAQ's at www.copyright.gov/help/faq.

SEXUAL ASSAULT RESPONSE/PREVENTION POLICY

Sexual assault, including date rape, violates the Gogebic Community College (GCC) Student Code. Sexual assault as defined in this policy is criminal sexual conduct and a violation of the Michigan Penal Code. A GCC student charged with sexual assault may be subject to college disciplinary proceedings up to and including expulsion and may also be prosecuted according to the Michigan Penal Code.

Acquaintance rape or date rape is the most prevalent form of sexual assault on college campuses. A report of sexual assault will be treated with the highest degree of concern by Gogebic Community College.

Prevention education and awareness efforts are essential to better insure a safe learning and living environment on our campus. Gogebic Community College provides web-based training for all students each semester, as well as in-person educational opportunities, awareness, and services.

This policy provides the following information to members of the college community:

DEFINITIONS

A. Sexual Misconduct: Sexual misconduct includes but is not limited to sexual violence including sexual harassment, dating violence, domestic violence, stalking, sexual assault, and sexual exploitation.

B. Sexual Harassment: Sexual harassment is defined as any unsolicited, offensive behavior that uses sexuality to disadvantage another, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to sexual harassment is made either explicitly or implicitly a term or condition of employment or academic admission or advancement, or;
2. Submission to or rejection of sexual harassment is used as the basis (or threatened to be used as the basis) for employment actions or academic decisions or evaluations, or;

3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile or offensive work or learning environment.
4. Examples of sexual harassment include:
 - Threats or insinuations which lead the victim to reasonably believe that granting or denying sexual favors will affect his/her reputation, education, employment, advancement, or standing within the College
 - Sexual advances, sexual propositions, or sexual demands which are not agreeable to the recipient and/or sexually explicit emails or text messages

 - Repeatedly using sexually degrading words or sounds to describe a person
1. Recurring comments or questions about an individual's sexual prowess, sexual deficiencies, sexual orientation or sexual behavior. Unsolicited, offensive behavior may involve harassment of women by men, harassment of men by women, and harassment between persons of the same sex.

C. Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

1. Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
2. The existence of a social relationship of a romantic or intimate nature with the victim is determined based on;
 - i. The reporting party's statement;
 - ii. The length of the relationship;
 - iii. The type of relationship; and
 - iv. The frequency of interaction between the persons involved in the relationship.

D. Domestic Violence: A felony or misdemeanor crime of violence committed by any of the following individuals:

1. A current or former spouse or intimate partner of the victim; or

5. Any other person against an adult or youth victim who is protected under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

E. Sexual Assault (Any Non-Consensual Sexual Contact including Rape)

1. Non-Consensual Sexual Contact is:
 - i. any intentional sexual touching,
 - ii. however slight,
 - iii. with any object,

- iv. by a man or a woman upon a man or a woman,
- v. that is without consent and/or by force.

2. Sexual Contact includes:

Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

4. Intercourse includes:

Vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

F. Sexual Exploitation

1. Sexual Exploitation occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- i. Invasion of sexual privacy;
- ii. Prostituting another student;
- iii. Non-consensual video or audio-taping of sexual activity;
- iv. Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- v. Engaging in voyeurism;
- vi. Knowingly transmitting an STI or HIV to another student;
- vii. Exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
- viii. Sexually-based stalking and/or bullying may also be forms of sexual exploitation

2. For reference to the pertinent state statutes on sex offenses, please see X. Procedures, section D.

G. Consent

The State of Michigan does not have one single definition of consent; however, the following is the definition of consent for purposes of this policy: Consent is a clear, freely given, "yes" to sexual activity. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity. The absence of "no" is not consent. Silence, in and of itself, cannot be interpreted as consent. Similarly, a freely-given, verbalized "yes" will contribute to a mutual understanding that consent has been given and received.

However, consent, whether verbal or nonverbal, which has been coerced does not constitute valid consent. To coerce consent means to gain consent through force, or threat of force. Individuals who consent to sex must be able to understand what they are doing and do so willingly.

A person may not be able to give consent if: they are under the age of 16, if they are legally mentally incapable, mentally incapacitated or physically helpless. This may include impairment due to drug or alcohol use. Important reminders about consent:

1. Consent to any one form of sexual activity does not automatically imply consent to any other forms of sexual activity.
2. Previous relationships or prior consent does not imply consent to future sexual acts.
3. Consent may be withdrawn at any time, even during the course of sexual activity.

H. Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress. GCC considers acts of cyberstalking, recording or transmitting sexual images, and voyeurism to be a violation of this policy.

1. A course of conduct is two or more acts, including but not limited to:

- i. Acts in which the ‘stalker’ directly, indirectly, or through third parties by any action, method, device or means,
- ii. Follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person’s property.

2. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling

I. Employee: Anyone employed by GCC as faculty or staff, full or part time.

J. Supervisor & College Official: Anyone who oversees, directs, or evaluates the work of others, including but not limited to, managers, Board of Trustee Members, volunteers, administrators, independent contractor, coaches, directors, Vice Presidents, department heads, program directors, counselors, advisors, coordinators, persons who manage student workers as well as faculty members in their role as instructors, and as participants in decisions affecting the careers of other faculty members.

K. Students: The term “student” includes persons who have been issued a student number at Gogebic Community College and are:

1. currently enrolled, or
2. admitted and show intent to enroll, or
3. withdrawn from a specific course or the College after allegedly violating the Student Code

L. Response: In cases where it is determined that sexual misconduct occurred, GCC will take appropriate disciplinary action with or without concurrence from the complainant.

M. Retaliation: To intimidate, threaten or coerce, or otherwise discriminate against any individual for exercising their right to file a complaint of sexual misconduct or to participate in an investigation. Retaliatory conduct is illegal and constitutes a violation of this policy, and will be grounds for disciplinary action up to and including termination or expulsion. Any student or employee who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures indicated below.

III. Policy

A. Sexual Misconduct

Members of the college community, guests and visitors have the right to be free from all forms of gender and sex-based discrimination. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. This policy specifically prohibits any form of gender and/or sex-based discrimination, including sexual assault, sexual harassment, domestic violence, dating violence, sexual exploitation, and/or stalking. This policy also prohibits any sexual activity that does not have the clear consent of all parties involved.

GCC will provide appropriate programming to promote the awareness of sexual misconduct for all employees and incoming students. This program will include information regarding safe and positive options for bystander intervention and information on risk reduction.

B. Prohibition on Consensual Relationships with Students or Subordinates

Consensual relationships to which this policy applies are those romantic, intimate, or sexual relationships where an individual has actual institutional responsibility for or authority over an individual and/or is involved in the evaluation of an individual. Relationships where there is a reasonable perception of a power differential (e.g., senior member of a group and a perspective member of a group) may be included as well. GCC considers such relationships to be a basic violation of professional ethics and responsibility, and expressly forbids them unless GCC and both parties agree to and cooperate in making alternate arrangements for the supervision, evaluation, teaching, grading, or advising of the individual. This policy applies to all faculty members, administrators, staff members, and students of GCC.

C. Duty to Report

Staff and faculty must report allegations of sexual misconduct or other violations of this policy to the Title IX Coordinator, Title IX Deputy Coordinator or designees as soon as possible and normally within three workdays. All authorized volunteers who work with student organizations or conduct other on-campus activities are also required to report. All complaints of sexual misconduct, investigation documents and documents relative to the resolution of the complaint will be maintained in a confidential file in the appropriate office. These documents will be confidential to the extent allowed under state and federal law.

D. Retaliation

Reprisals or retaliation towards any person for alleging sexual misconduct or for filing a sexual misconduct complaint or other charge under this policy is illegal and a violation of GCC policy. Any person who retaliates against a complainant will be subject to disciplinary action up to and including, termination of employment for employees, expulsion for students. Any student or employee who believes that he or she has been retaliated against in violation of this policy should immediately report such incidents to the Title IX Coordinator.

E. False Statements

Knowingly making false allegations of sexual misconduct or providing evidence with the knowledge that it is false is also a violation of this policy and will subject a person to disciplinary action up to and including termination or expulsion.

F. Confidentiality

Before a victim reveals any information to staff or faculty ("employee"), the employee should ensure that the victim understands the employee's reporting obligations and, if the victim wants to maintain confidentiality, direct the victim to a "confidential employee" or other confidential resource. Professional, licensed counselors who provide mental health counseling to members of the school community (including those who act in that role under

the supervision of a licensed counselor) are not required to report any information about an incident to the Title IX Coordinator without a victim's permission. A victim who speaks to these "confidential employees" must understand that, if they want to maintain confidentiality, the College will be unable to conduct an investigation into the particular incident or pursue disciplinary action against the alleged perpetrator.

If the victim requests that a "non-confidential" employee maintain confidentiality, the employee should tell the victim that the College will consider the request, but cannot guarantee that the College will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the employee will also inform the Coordinator of the victim's request for confidentiality.

Employees will not pressure a victim to request confidentiality, but will honor and support the victim's wishes, including the victim's wish to have the College fully investigate an incident. By the same token, employees will not pressure a victim to make a full report if the victim is not ready to do so. Those persons responsible for consulting about, investigating and resolving complaints of sexual misconduct will make reasonable efforts to protect the privacy of both the complainant and the respondent

IV. Reason for Policy

Sexual Misconduct, including dating violence, domestic violence, sexual exploitation, sexual assault, stalking and sexual harassment, violates the law, undermines the integrity of the College, traumatizes individuals, creates tension in the workplace and academic environment and causes friction between employees and/or students.

GCC is committed to maintaining a positive learning and working environment for students, faculty and staff. All forms of sexual misconduct detract from a positive environment and are absolutely prohibited. Such conduct unreasonably interferes with an individual's work or educational performance and/or can create an intimidating, hostile or offensive work or learning environment.

GCC attempts to maintain a professional and ethical educational environment. It is essential that those who are in positions of authority not abuse the power with which they are entrusted.

Relationships covered by the Consensual Relationship provision of this Policy are inherently risky, can raise concerns about conflicts of interest, validity of consent, and preferential treatment. They may also lead to allegations of sexual harassment. Members of the GCC community who participate in such relationships should do so knowing that they risk being accused of sexual harassment and may be subject to disciplinary action. In a sexual harassment proceeding, it is incumbent upon the respondent to establish that a real and/or implied power differential did not exist within the relationship with the individual.

A member of the GCC community who is involved romantically or sexually with an individual for whom he or she has real or implied supervisory responsibility has the obligation to disclose its existence to his or her supervisor, or department chair or Vice President, and to cooperate in making alternative arrangements as described above. Failure to comply with these notification and recusal requirements is a violation of GCC policy, and shall be subject to sanctions ranging from warning to dismissal.

V. Entities Affected by This Policy

Persons covered by this policy include students, members of the Board of Trustees, applicants for employment, authorized volunteers, all employees including faculty, staff, and persons employed on the premises of the College as independent contractors, as well as persons participating in or attending College-sponsored programs and travel.

B. Investigation Procedures

1. Reporting a Complaint

Reports concerning sexual harassment, sex/gender discrimination, sexual assault/misconduct or violations of the Sexual Misconduct Policy should be filed with the Title IX Coordinator or his/her designee. The Title IX Coordinator may, in his or her discretion, dismiss a grievance if he/she determines the person filing the complaint is not entitled to use this process.

The Title IX Coordinator may modify these procedures at any time as deemed appropriate for compliance with federal, state, local law or applicable guidance. The campus community will be notified of any changes via email as well as on the Student Handbook.

An individual who has been the victim of sexual harassment, domestic violence, dating violence, sexual assault, sexual exploitation, stalking, or other sexual misconduct, is encouraged to report the incident promptly to the Title IX Coordinator or Deputy Coordinator or designee, by calling, writing or coming in to the office to report in person. Although GCC strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim's choice whether or not to make such a report and victims have the right to decline involvement with the police. As the Title IX Coordinator is a campus security authority, they will report that the incident occurred for the purposes of Clery Crime Reporting. The College will proceed with an investigation without the victim if there is a danger to the campus or the community.

2. Immediate Administrative Action

The College recognizes its obligation to address incidents of sexual misconduct, discrimination and harassment on campus when it becomes aware of its existence even if no complaints are filed; therefore, the College reserves the right to take appropriate action unilaterally under this procedure, including but not limited to issuing no-contact orders, modification of course schedules, etc.

The College will take immediate administrative or disciplinary action deemed necessary for the welfare or safety of the College community.

i. The general procedure for assessing immediate needs and interim measures will be described below:

1. Assess immediate safety needs of complainant
2. Depending on when reported (immediate vs delayed report), provide complainant with access to medical care
3. Assist complainant with contacting the local police if complainant requests and provide contact information for local police departments.
4. Provide instructions on how to apply for Protective Order if the complainant wishes to pursue this option.
5. Provide information to complainant on how to preserve evidence.
6. Assess need to implement interim or long-term protective measures to protect the complainant, as described below.
7. Provide written information regarding community resources, including referrals to on and off campus mental health providers.
8. Provide a copy of the Sexual Misconduct Policy to complainant and inform the complainant regarding timeframes for inquiry, investigation and resolution.
9. Remind complainant that GCC will strictly enforce the anti-retaliation policy and take immediate and separate action against parties that retaliate against a person for complaining of sex-based discrimination or for assisting in the investigation.

ii. Supportive measures may range from No Contact Orders, to classroom adjustments/arrangements, to interim suspensions of the alleged perpetrator if necessary, or any other appropriate safety measures based on the

circumstances. GCC representatives will strive to maintain confidentiality regarding protective measures provided to the victim.

iii. GCC does not publish the name of crime victims nor house identifiable information regarding victims in the GCC police departments Daily Crime Log or online.

3. Withdrawal of Complaint

The complainant may withdraw the complaint at any point during the investigation; however, the Title IX Coordinator may determine in his or her discretion that the issues raised warrant further investigation despite the complainant's desire to withdraw the complaint. In making this determination, the Title IX Coordinator will review relevant factors, including danger to the community or any individual, the egregiousness of the complaint, whether this was a repeat offense, whether any weapon was involved, whether and how the alleged incident affects the college as a whole, etc.

4. Confidentiality

Privacy of Proceedings and Records: Although College officials will maintain an individual's privacy to the best of their ability, individuals should know that College officials (outside the context of licensed counselors and health professionals hired in their private capacity) may not be able to maintain legal confidentiality of the complainant, but will maintain his or her privacy as noted herein. The College's ability to investigate may be limited if a complainant insists his or her name not be disclosed to the alleged perpetrator. The College must weigh such requests for privacy against its duty to provide a safe and nondiscriminatory environment. Investigators and those involved with the investigation are individually charged to preserve privacy with respect to any matter investigated or heard. A breach of the duty to preserve privacy is considered a serious offense and may subject the offender to appropriate disciplinary action. Parties and witnesses are also admonished to maintain privacy with regard to these proceedings, and if they are College employees, failure to maintain said privacy may result in appropriate disciplinary action. Furthermore, federal law prohibits retaliation against those who file complaints, and the College will take responsive action if such retaliation occurs, up to and including termination and/or expulsion.

5. Provision of Resources

i. In the event of sexual assault, medical forensic investigations are performed at a hospital emergency room on a 24-hour basis for both females and males. To arrange for an examination, contact the hospital or your personal physician within 120 hours of an incident. Victims should avoid showering or bathing prior to receiving an examination as valuable evidence could be lost.

ii. As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining personal protection orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she should consider speaking with or local law enforcement to preserve evidence in the event that the victim changes her/his mind at a later date. The law also allows the complainant to file a report while withholding the complainant's name from the report. It is also important to preserve evidence by saving text messages, instant messages, social networking pages, other communications and keeping pictures, logs or copies of other documents that would be pertinent in an investigation.

iii. GCC will provide referrals to persons who have been victims of sexual misconduct regarding resources on campus which are available at no cost to students, as well as referrals to resources off campus. If a victim is accessing community and non-GCC services, payment for these services will be subject to state/local laws, insurance requirements, etc.

iv. GCC representatives will be sensitive to those who report all forms of sexual misconduct. Employees taking a complaint must inform victims about their right to file criminal charges as well as provide details as to the availability of resources. Victims will be provided information regarding counseling, healthcare, mental health services, victim advocacy, legal assistance and additional remedies to prevent contact between a complainant and accused party. Such remedies could include making changes to academic, transportation, and/or working conditions, if reasonably available. GCC will provide the student or employee a written explanation of their rights and options regardless of whether the offense occurred off campus or on campus.

v. As part of the resources provided to reporting students, the Title IX coordinator or designee will explain the process and the procedures for sexual misconduct investigations. The coordinator or designee will emphasize that GCC will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

6. Grievance Process

i. Overview of investigation. Reports of sexual misconduct will be managed and investigated by a trained investigator who is without bias. Generally, complaints involving students will be investigated by a Deputy Title IX Coordinator, and complaints involving employees will be investigated by the Title IX Coordinator or designee. All investigations will be conducted professionally, expeditiously, and confidentially (to the extent possible, as described herein) by a trained investigator without bias. The process is designed to be completed in less than 60 business days from start to finish, though many cases will be resolved in less time. Additional time may be sought to necessary to ensure a complete investigation.

The respondent, who is presumed not responsible and a responsibility determination is made at the conclusion of the process.

ii. Additional witnesses. Additional evidence may be sought from any relevant party or witness, including but not limited to, email communications, social media postings, text messages, phone records, etc. Parties are expected to cooperate and provide this information. Failure to cooperate with an investigation may result in separate disciplinary proceedings. Parties should be aware that as members of the College community, their access to College resources has very limited privacy rights, and the College may obtain information through the College's resources and informational technology system with or without the individual's cooperation. The investigation and findings generally should be completed within 60 business days of receipt of the complaint, preferably sooner as practical.

iii. Use of Advisors. GCC will provide the complainant and respondent with equitable opportunities throughout the investigation and resolution process, including the opportunity to be accompanied by the advisor of their choice. Each party can have advisors, who will conduct the cross-examination at the hearing. If a party does not have an advisor, the college will provide an advisor upon request.

iv. Contact with Complainant. Upon receipt of a complaint, the Title IX Coordinator will confirm with the complainant the receipt of the complaint, and will specify who will be assigned to conduct the investigation. Generally, the Deputy Coordinator or designee interviews the complainant and any relevant witnesses identified by the complainant. Once sufficient information is gathered, the Deputy Coordinator or designee will then notify the charged individual of the allegations. With permission from the complainant, the Deputy Coordinator or designee shall advise the charged individual of the name of the complainant. Where a complainant does not wish to be identified, the extent of the investigation may be limited; however, the investigation will continue to the extent possible while maintaining the confidentiality of the complainant.

v. Meeting with Respondent. The Deputy Coordinator or designee will review with the respondent the allegation and any resulting charges, as well as the specific policy section alleged to have been violated and possible sanctions. The investigator will review GCC's anti-retaliation policy, along with any other relevant policies. The investigator will interview the charged individual and any witnesses deemed relevant. Throughout the course of the investigation, the investigator will endeavor to keep both parties apprised of the status.

vi. Both parties will be allowed to review all evidence that is directly related to the allegation that is gathered as part of the investigation. Parties will have 10 days to review all evidence before completing the investigative report. Parties will then have 10 days to review the investigative report prior to a hearing.

vii. Hearing Process. A hearing of the Student Conduct Board will be held as part of the grievance process. The panel will hear the case and make a decision about responsibility. This process will include live cross-examination through each party's advisor, with an immediate determination as to relevance made by the hearing chair/decision maker. If a party or witness does not submit themselves for cross-examination, the decision maker cannot rely on their previous statements. Refusal to submit to cross-examination cannot make inferences about responsibility based on either party's refusal.

viii. Informal Resolutions. If appropriate, informal resolutions such as mediation between the parties may be available to resolve reports of violations of this policy. Mediation and other informal remedies will be utilized only when agreed upon by both parties, and will not be appropriate in instances involving allegations of sexual assault. If the parties agree to informal resolutions, they may revoke their consent to participate at any time.

7. Finding

After the investigation and the hearing, the decision maker shall render a finding as to the responsibility based on the relevant evidence utilizing a preponderance of the evidence standard, i.e. the facts complained of are more likely true than not.

Upon completion of the investigation, the Title IX Deputy Coordinator or designee is authorized to take the following actions:

- i. Dismissal of the claim - The decision maker finds that no violation occurred and dismisses the complaint, giving written notice of said dismissal to each party involved.
- ii. Determination of Responsibility - The decision maker makes a finding of responsibility for any of the allegations and notifies the parties and appropriate administrative officers of the finding and may recommend actions to be taken.

Both parties shall receive notification, in writing, which will include:

1. The result of any investigation that arose from an allegation of violation, including whether or not the respondent was held responsible, and any ensuing sanctions. The complainant will receive notice of all sanctions relevant to the complainant.
2. (For students) Additional procedural rights as set forth in the GCC Student Handbook.
3. (For Employees) If evidence supports a finding of misconduct, the College will take appropriate corrective or disciplinary action. Action taken by the College for employees may include (but will not be limited to), counseling, warning, transfer, demotion, termination.
4. If evidence supports a finding of responsibility, the written report of the action taken shall then be placed in the personnel record of the employee or student file. Sanctions of suspension, expulsion, or revocation or withholding of a degree will become a permanent part of a student's record. Cases that result in all other sanctions will be maintained for seven (7) years.
5. Appeal or hearing procedures are found in the Student Code of Conduct, union contracts or the Meet and Confer handbook.

iii. Potential student sanctions will be applied based upon the facts and circumstances of the case. Sanctions include:

1. Verbal warning
2. Written warning
3. Probation
4. Permanent removal from a course
5. Restitution
6. Suspension
7. Permanent Expulsion
8. Other Sanctions – Other sanctions may be imposed instead of, or in addition to, specific sanctions listed in this section. These may include, but are not limited to: recommendations for counseling, establishment of mandatory behavior conditions/contract-signing stating agreed-upon behavior expectations for continued enrollment or reenrollment; loss of access to college computers and/or network; a specific project designed to assist the student in better understanding the overall impact of his or her behavioral infraction; a contract of terms for restitution of damages/stolen property before enrollment is continued and/or records are released; suspension without pay from his or her on-campus job; prohibition on participation in extracurricular activities or interscholastic or leadership positions; or community service.
9. Revocation of Admission and/or Degree – Admission to GCC, or a degree awarded from GCC may be revoked for fraud, misrepresentation, or other violation of GCC standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.
10. Withholding Degree – GCC may withhold awarding a degree otherwise earned until the completion of the process set forth in this policy including the completion of all sanctions imposed, if any.

iv. For employee appeals, refer to the appropriate union contract or Employee Handbook.

v. For appeal hearing procedures for students, refer to the Student Code of Conduct.

2. Within seven (7) days of receipt of this request, the other party shall be notified by the Chair of the Appeals Committee that an appeal has been requested.
3. After receiving the appeal request, the Chair will convene the Appeals Committee. This group shall be empowered to review the case file, gather additional information and interview witnesses, including the parties, if the group deems necessary, within twenty-one (21) days* from the convening of the Hearing Committee.
4. If the Appeals Committee determines that GCC's sexual harassment policy was violated, it shall develop a written report supporting these findings, along with recommendations for further action. Recommendations may include but are not limited to:

6. The decision of the Appeals Committee shall be final, and shall become part of the record. The closed case file will be kept in the Student Services Office.

Time Limits

All of the time limits specified above may be extended for good cause. If the complainant fails to respond within the time limits provided, the complaint shall be deemed to have been withdrawn. (*All dates noted are considered days when the college is in operation. Days are weekdays when the college is in operation.)

Further information available from the VP of Students at (906) 932-4231 ext. 212.

SOLICITING

Soliciting funds, clothes, books, subscriptions, tickets, or similar items on campus or in college buildings must be approved in writing by the Office of the Vice President of Students.

SUBSTANCE ABUSE POLICY

It shall be the policy of Gogebic Community College to implement the following program to prevent the use of illicit drugs and the abuse of alcohol by students and employees. The program shall include:

- The annual distribution to each student and employee of standards of conduct that clearly prohibit, at a minimum, the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on college property or as part of any of the college's activities;
- A description of the applicable legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
- A description of the health risks associated with the use of illicit drugs and the use of alcohol;
- A description of any drug or alcohol counseling, treatment, or rehabilitation or reentry programs that are available to employees or students; and
- A statement that Gogebic Community College will impose sanctions on students and employees consistent with local, state, and federal law, up to and including expulsion or termination of employment and referral for prosecution for violations of the standards of conduct required in said policy.

This program shall be reviewed biannually to determine its effectiveness and to implement changes to the program, if they are needed; and to ensure that the sanctions required by the policy are consistently enforced.

Gogebic Community College shall, upon request, make available to the Secretary of the United States Department of Education and to the public, a copy of each item required above, as well as the results of the biannual review herein required.

As regulations are published and implemented by the United States Department of Education, the same shall be periodically reviewed by the President of the College and submitted to the College Board to assist in the implementation and review of appropriate policy changes and amendments.

The following actions shall be taken against students and employees for violation of the standards of conduct:

First Offense: Instruction and cautioning and attendance in available drug or alcohol counseling rehabilitation and/or assistance program, plus a three-day suspension.

Second Offense: Termination of employment or expulsion and referral for prosecution for violation of the standards of conduct required by the policy.

Note: Consideration shall be given to the severity of the offense, the cost involved, the time interval between violations, the length and quality of the service record, and the ability of the employee or student involved. In each case where the penalty deviates from the recommended standard penalties, the reasons for such deviations shall be noted.

The written standards distributed to the students and employees shall be reviewed by the Board annually.

Academic Policies

ACADEMIC PROBATION AND SUSPENSION POLICY

Students in college are expected to assume responsibility for their own work. The following policy is in effect:

1. A first semester freshman will be placed on probation if he/she achieves a grade point average less than 1.6 at the end of the semester; he/she may be suspended if his/her grade point average is less than 1.0 at the end of the semester.
2. A second semester freshman will be placed on academic probation if his/her cumulative grade point average at the end of the second semester is less than 1.75; he/she may be suspended if his/her grade point average is less than 1.25 for the semester.
3. A third semester student will be placed on academic probation if his/her cumulative grade point average at the end of the semester is less than 1.8; he/she may be suspended if his/her grade point average is less than 1.5 for the semester.
4. A fourth semester student will be placed on academic probation if his/her cumulative grade point average is less than 2.0; he/she may be suspended if his/her grade point average is less than 1.75 for the semester.
5. A student in his/her fifth semester (or more) may be suspended if his/her grade point average is less than 2.0.

Students who are on probation should:

- Consider reducing study loads
- Avoid extensive participation in extracurricular activities and outside employment responsibilities. Reappraise study schedules and habits.
- Confer regularly with their advisors, counselor, instructors, and Vice Presidents.
- Consider repeating work in which grades are unsatisfactory.

Note: All students receiving financial assistance, including VETERANS EDUCATIONAL BENEFITS, are subject to an additional set of standards for continued assistance. These "Standards of Academic Progress" are found in the Financial Aid section of the college catalog.

ACADEMIC YEAR

The regular academic year is divided into two semesters--the fall semester and the spring semester--plus a summer session.

ACCESS TO RECORDS

General Access: Any student enrolled at Gogebic Community College has the right to inspect and review educational records, files, and data directly related to him/herself, including all material incorporated into the cumulative record folder and intended for school use after a request for access to such record has been made on the approved form and in accordance with the approved college procedure for such access. Such access will be granted within a reasonable time, but in no case more than 45 days after the request has been made. Further release of personally identifiable records and files without written consent of the student will not be made, with the exception of those approved under the Family Educational Rights & Privacy Act of 1974. The policy on student records is on file in the Office of Student Services. (See Directory Information below.)

Transcripts: Official transcripts of a student's academic record will be sent to properly authorized individuals or organizations (including the student) with valid written request from the student. Students may obtain a transcript request form in the Vice President of Student's Office. A fee of \$5.00 is charged for each transcript issued. Current students are exempt from transcript charges.

Transcripts received by the college are part of the student's official record and cannot be returned or released.

Transcripts of all previous work, both high school and college, must be on file in the Admissions Office for all students who apply for admission. When such information is not forthcoming promptly, it may be necessary to ask a student to withdraw from the college or be denied the privileges of enrollment.

Directory Information: All directory information may be published or released unless a student informs the Vice President of Students/Register's Office in writing before the first day of classes of the fall semester that any or all items should not be released without prior consent of the student. The request to withhold directory information is valid for one academic year. Directory information is defined to include student's name, address, telephone listings, major field of study, dates of attendance, number of credit hours enrolled, degrees awarded and dates of degrees, full or part-time status, and photograph/likeness.

ACCOMMODATIONS

In certain situations, students may find themselves in need of accommodations while attending Gogebic Community College. Disability Services exists to provide these accommodations, as well as access to programs, services, and activities to qualified students with known disabilities, as required by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA).

Qualified students are individuals who:

- have a physical or mental impairment that substantially limits one or more major life activities.
- have a record of such an impairment or are regarded as having such an impairment.
- meet the essential eligibility requirements, or technical standards, for academic programs.

Students who request services must:

1. Complete a Disability Services request form.
2. Provide the Director of Learning Support Services with documentation of the disability.
3. Be willing to pursue diagnostic testing if not already processed, so staff can determine the eligibility of services, and allow documentation of the disability to be reviewed and maintained in a file while attending Gogebic Community College.
4. Schedule an appointment with the Director to review accommodation policies and procedures and to develop an accommodation plan based on documented needs.
5. Notify the Director if accommodations are insufficient, or if changes occur related to the nature of the disability, which may affect the accommodation plan.
6. Renew the accommodation plan each semester.

Gogebic Community College does not provide assessment or diagnostic testing for disabilities, or provide funding for the student to receive testing. The Director reserves the right to request additional documentation, if needed, to determine reasonable accommodations. The documentation must be prepared by a licensed medical professional.

Documentation of a disability must provide the following:

1. Identification of the nature and severity of the individual's disability. Indication that the individual is substantially limited by one or more major life activities.
2. Specific information regarding the manner that the disability affects the individual.
3. Description of the current course of treatment, if any, including medications and side effects, and prognosis for the disability.
4. Suggestions and recommendations regarding possible accommodations.

Documentation must be current; implications of the disability may vary over time and in different settings. Documentation should have been conducted within the past three years.

An Individualized Education Plan (IEP) alone does not constitute adequate documentation. The IEP must provide diagnostic results from tests that include aptitude and achievement assessments, processing abilities, and clinical recommendations.

Accommodations will be arranged upon the review of disability documentation and discussion of needs during the intake meeting between the Director and student prior to the beginning of each semester.

APPEALS

In the case where a student wishes to appeal grades received or any financial obligations, all appeals must be received by the Vice President of Students within seven calendar days from the posted end of the semester.

ASSESSMENT

All incoming freshman and transfer students enrolling in a program of study are required to participate in assessment of basic skills to determine course placement recommendations and readiness for college level courses. Gross summary data from Student Assessments may be used by the college as an index of institutional and instructional effectiveness. Students may take the assessment two times. If formal remediation occurs, a third assessment can be administered.

ATTENDANCE

Punctuality and regular attendance are indispensable to success in any human endeavor, and class work in college is not an exception. During the first week of classes, each instructor will announce and provide in writing the attendance requirements for that class. Each instructor keeps an accurate attendance record of the students enrolled in the class and reports excessive absences to the Vice President of Students throughout the semester. Excessive absences incurred by veterans receiving educational benefits will be reported to the Veterans' Administration as will those of students attending college under other sponsoring programs requiring attendance reports.

Absences exceeding 1/16th of total class hours will be considered excessive.

Rules Governing Absences:

- When a student has permission and is an official representative of the College, absences are listed as official and permission is granted for the student to make up studies within two weeks.
- Absence and tardiness caused by factors beyond the student's control may be excused by the Vice President of Students, with appeal available through the Student Personnel Committee, and the student may be permitted to make up studies within two weeks.
- It is the personal responsibility of students who have been absent from classes to arrange make-up work with the instructor within three days after the absence has occurred. Students should endeavor to arrange for this make-up work during the office hours of the instructor. All make-up work must be completed within two weeks after the students return to class.
- Any student who registers late for a course may have already been absent from class meetings. Such absences are to be reported by the instructor. Rules governing such absences are the same as for any absence during the school year.

CLASSIFICATION OF STUDENTS

Students who have earned fewer than twenty-eight (28) credits are officially classified as Freshmen. Those who have earned twenty-eight (28) or more credits are officially classified as Sophomores.

COLLEGE ENTRANCE EXAMINATION (CLEP)

The College Entrance Examination Board gives a set of advanced placement examinations which cover the contents of college courses. Gogebic Community College cooperates with the advanced placement program and awards credit for all advanced placement courses passed. CLEP scores and courses are entered on the transcript and students are credited with the appropriate credit hours. Since no letter grades are entered, the credits are not figured into the Grade Point Average. The CLEP examinations may be taken at any authorized CLEP test center. The student must specify that the results of the tests be sent to Gogebic Community College (code number 1250).

COMPLAINTS

Gogebic Community College endeavors to establish policies and regulations which ensure that the living and learning environment of the academic community is free from disruption. The College attempts to establish procedures, practices, and processes which assist in the orderly pursuit of the mission of the institution. The College also recognizes that some complaints, grievances, exceptions and appeals will inevitably arise. To address these, the College has created procedures for students to register complaints, grievances, exceptions and appeals and receive a reasoned response to the issues which they bring forward.

Questions about the appropriate process can be directed to the Vice President of Students Office, T108 Kleimola Technical Building, 906-932-4231 ext. 212 or email jeanneg@gogebic.edu.

COMPUTER LAB POLICY

1. Acceptable Use of Information Systems at Gogebic Community College

Access to computer systems and networks owned or operated by Gogebic Community College imposes certain responsibilities and obligations and is granted subject to College policies (including those in this student handbook), and local, state, and federal laws.

It is the policy of Gogebic Community College to maintain access for its community to local, national, and international sources of information, and to provide an atmosphere that encourages access to knowledge and sharing of information.

Access to the networks and to the information technology environment within GCC is a privilege and must be treated as such. Inappropriate use will result in a cancellation of those privileges. The administration, faculty, and staff of Gogebic Community College may request the system administrators to deny, revoke, or suspend specific user accounts.

All existing regulations are applicable to all users of computers and related technologies. This policy is intended to clarify those rules as they apply specifically to network usage. Acceptable use is always ethical, reflects honesty, and shows restraint in the consumption of shared resources.

Gogebic Community College characterizes as unethical and unacceptable, and just cause for taking disciplinary action, removal of networking privileges, and/or legal action, any activity through which an individual:

- a. transmits any material in violation of U.S. or state regulations. This includes, but is not limited to: copyrighted material; threatening; racist, sexist, pornographic, and obscene material; or information protected by trade secret.
- b. interferes with the intended use of the information resources.
- c. seeks to gain or gains unauthorized access to information resources.
- d. uses or knowingly allows another to use any computer, computer network, computer system, program, or software to devise or execute any artifice or scheme to defraud or to obtain money, property, services, or other things of value by false pretenses, promises, or representations.
- e. destroys, alters, dismantles, disfigures, prevents rightful access to or otherwise interferes with the integrity of computer-based information and/or information resources.
- f. invades the privacy of individuals or entities that are creators, authors, users, or subjects of the information resources.
- g. uses computer programs to decode passwords or access control information.
- h. attempts to circumvent or subvert system or network security measures.
- i. installs, runs, stores, downloads, or otherwise introduces any unauthorized software on any Gogebic Community College computer system or network.
- j. engages in any other activity that does not comply with the general principles presented in this document.

In the case of any doubt about the acceptability of any specific use or operation of the Gogebic Community College computer network, contact the system administrator, instructor, or computer lab technician for clarification.

Users of the Gogebic Community College computer network, when expressing opinions, should include a disclaimer indication that the opinions of the author are not necessarily those of Gogebic Community College.

Gogebic Community College cannot monitor or control the content of information obtained on the Internet and is not responsible for its content. Users should assume that e-mail is not secure or confidential. Any and all use of any of the information obtained via the Internet is at your own risk. Gogebic Community College specifically demises any responsibility for the accuracy and/or quality of any information obtained through its Internet services.

It is the responsibility of every user to protect his/her user ID, Password, and system from unauthorized use. Each user is responsible for activity on his/her user ID or that originate from his/her system. Users will not lend their network/Internet account and/or password to other users.

Users must acknowledge their understanding of this general policy and guidelines as a condition of receiving an account and using the Gogebic Community College network to access the Internet.

The College considers any violation of acceptable use principles or guidelines to be a serious offense and reserves the right to copy and examine any files or information resident on College systems allegedly related to unacceptable use.

Gogebic Community College students and employees who violate this policy are subject to disciplinary action as prescribed in this student handbook, and Board of Trustees Policy.

Offenders also may be prosecuted under laws including (but not limited to) the Privacy Protection Act of 1974, The Computer Fraud and Abuse Act of 1986, The Computer Virus Eradication Act of 1989, Interstate Transportation of Stolen Property, The Electronic Communications Privacy Act, and Act 53 of the Public Acts of 1979 of the State of Michigan. Access to the text of these laws is available through the Reference Section of the College Library.

2. Computer Lab Use Policy

Gogebic Community College does not condone fraudulent use of its computer equipment or facilities, and it is the intent of the college to adhere to the provisions of copyright laws applying to computer software and documentation. It is also the intent of the college to comply with the individual license agreements which were expressly or tacitly accepted when the college obtained the software. (Taken from GCC Board of Trustees Policy, adopted May 28, 1990.)

The Law of the State of Michigan

Act 53 of the Public Acts of 1979 of the State of Michigan is "AN ACT to prohibit access to computers, computer systems, and computer networks for certain fraudulent purposes; to prohibit intentional and unauthorized access, alteration, damage, and destruction of computers, computer systems, computer networks, computer software programs, and data; and to prescribe penalties."

The penalties for violating this act are stated as follows:

"A person who violates this act, if the violation involves \$100.00 or less, is guilty of a misdemeanor. If the violation involves more than \$100.00, the person is guilty of a felony, punishable by imprisonment for not more than ten (10) years, or a fine of not more than \$5,000.00, or both.

Examples of State Law violations include:

- Making unauthorized attempts to access or use information.
- Attempting to access computer files belonging to another user without permission.
- Attempting to interfere with the performance of computing systems.

United States Copyright Law

Copyright is a form of protection provided by the laws of the United States (Title 17, U.S. Code) to the authors of "original works of authorship." This includes computer programs (software).

You are violating U.S. Copyright Law if you make unauthorized copies of copyrighted software and/or documentation.

The college expects that each student will abide by the regulations governing student conduct. The above policy states some of the general computer use regulations. Such statements cannot be all inclusive and individual student conduct violations may need to be determined on a case by case basis within the scope of this policy.

CREDIT BY EXAMINATION

Regularly enrolled students may, in some subject areas, be able to earn credit for a course offered by the college by successfully completing a comprehensive examination or series of examinations. Students who believe they have mastered a course through life experience, past training, or intelligence may, at the discretion of the Division Chairperson, instructor and advisor, make application through the Office of the Vice President of Students to take the examination if one has been developed in that subject area. An examination fee of \$15.00 per credit hour is charged prior to the time of examination and, on the recommendation of the Division Chairperson and instructor, credit will be entered on the student's transcript. Beginning in 1995 this information is also being printed on the academic transcript.

VICE PRESIDENT'S LIST

Each semester, a Vice President's List is issued and published listing all full-time students who have earned a 3.5 or better grade point average.

DROPPING AND ADDING COURSES

1. During the Drop and Add period at the beginning of each semester, a student may change his/her schedule without penalty. Any course dropped during this period is entirely removed from the academic record.
2. After the Drop and Add period students may withdraw from a regular full semester class up to the published last day to withdraw with a "W" in the semester by filling out a DROP form, which must contain the signature of the instructor of the course dropped and the student's academic advisor. Separate timelines exist for shorter courses, and these may be obtained from the Vice President of Student's office.
3. Students who officially withdraw from a class will receive a grade of "W". Students who do not go through the official withdrawal procedures will receive an "F" grade for courses not completed.
4. Withdrawing from a course can have an effect on a student's current and future Financial Aid, including veterans' benefits. Refer to the Financial Aid section of the catalog for details.
5. All Drop/Add/Withdrawal Forms are obtained from and must be filed in the Vice President of Student Services Office.

EXAMINATION AND GRADES

Two formal examinations are usually held each semester: the mid-semester and the final. All students are required to take these examinations and to complete all work as assigned.

FINAL GRADES

Final grades are recorded on the student's permanent record in the Vice President of Students Office at the close of each semester. Such grades are also sent to the student at the permanent mailing address listed in the student's record.

GRADE POINT AVERAGE

Grade Point Average, GPA: Quality points divided by semester hours determines your academic average. The GPA is used to determine your continuance in college, graduation from college, and academic status after each semester.

Quality Points (Sometimes referred to as Honor Points): Numerical equivalent of letter grades used to figure the GPA. For example: A=4, B=3, C=2, D=1, and F=0. Below is an example of the method of calculating your grade point average: An "Incomplete" grade calculates as a failing grade until it is replaced with a final grade.

	<u>Credit</u>	<u>Grade</u>	<u>Quality Points</u>
English.....	3	C = 2	6 (3 x 2)
Political Science	3	D = 1	3 (3 x 1)
Geology.....	4	B = 3	12 (4 x 3)
French.....	4	C = 2	8 (4 x 2)
Physical Education	<u>1</u>	A = 4	<u>4 (1 x 4)</u>
	15		33

$33/15 = 2.20$ GPA

A copy of your permanent record is on file in the Office of the Vice President of Students. It is a total record of your academic work and includes the courses you have taken, your grades, and your cumulative GPA. Questions concerning your academic record should be referred to the Vice President of Student Services.

GRADE RE-EVALUATION

The purpose of GRADE RE-EVALUATION at Gogebic Community College is to assist a student whose grade point average from some prior period is significantly lower than the work the student has completed in current semesters and, because of this, the cumulative grade point average is not representative of the student's capabilities.

Upon approval of this petition, all course grades* prior to re-enrollment will be removed from the calculation of Grade Point Average (GPA). Passing credits may be carried forward to meet graduation requirements if current course content has remained substantially the same as the historical course of record.

A student receiving grade re-evaluation will be allowed to utilize the revised GPA for graduation purposes, special academic recognitions, and requirements for professional certifications within the province of licensing boards, external agencies, etc. unless otherwise prohibited by external regulation.

*Past courses used to meet graduation requirements for a prior degree cannot be removed from the cumulative GPA.

GRADUATION INFORMATION

Students may graduate from Gogebic Community College with either an Associate Degree or a Certificate of Completion.

- Application for Graduation: Students wishing to graduate must file an Application for Graduation in the Office of the Vice President of Students at the beginning of the semester in which they anticipate meeting

all degree requirements. Graduation apparel consists of cap and gown and is available at no additional cost to graduating students.

- Minimum Grade Point Average: A final cumulative grade point average of 2.0 or above must be achieved for graduation eligibility.
- Minimum Credit Requirement: For an Associate of Science, Associate of Arts, Associate of Applied Science, or Associate of Technology, 63 credits are required. No more than two of these credits may be in physical education. For an Associate of Applied Business, 61 credits are required, none of which may be in physical education.
- Enrollment Status: You must have been enrolled at Gogebic Community College during the semester immediately preceding fulfillment of degree requirements.

GRADUATION HONORS

Special recognition at graduation will be given under the following conditions:

1. Students completing graduation requirements at Gogebic Community College with a 3.75 cumulative grade point average or better will graduate with High Honors.
2. Students completing graduation requirements in Associate Degree Programs at Gogebic Community College with a 3.5-3.74 cumulative grade point average will graduate with Honors.

Grade point averages for those students transferring to Gogebic Community College from other colleges or universities are determined by only those grades earned at Gogebic Community College. Any student graduating with honors must have earned a minimum of 30 credits at Gogebic Community College prior to their final semester.

While recognition at the commencement ceremony will be based upon cumulative grades prior to the final grading period, all grades earned at Gogebic will be included in the final determination of honors status to be recorded in the student's permanent record.

INCOMPLETES

It is expected that students will fulfill course requirements to warrant a grade for each course at the end of the semester. However, should a student receive an incomplete due to illness or other extenuating circumstances, the incomplete is to be made up within 30 days unless other arrangements have been made with the instructor and the Vice President of Students. An incomplete will revert to a grade specified by the instructor if not made up within the time allotted. An incomplete grade will count as a failing grade until the final grade is entered.

DIRECTED/INDEPENDENT STUDY

Opportunities for directed/independent study are available to outstanding students, usually Sophomores. Such study must be arranged by the supervising instructor and approved by the appropriate Division Chairperson, the Vice President of Instruction, and the Vice President of Students. Directed/Independent study is designed to provide an opportunity for students to pursue special or advanced study under the direction of the faculty.

NON-DISCRIMINATION POLICY

It is the policy of Gogebic Community College not to discriminate on the basis of race, sex, age, color, religion, national origin or ancestry, marital status, disability, political affiliation or belief in its educational programs, activities, admissions, or employment policies as required by Title IX of the 1972 Educational Amendments, Section 504 of the Rehabilitation Act. of 1973, and the Americans With Disabilities Act of 1990.

Any questions concerning Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex, or any inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to:

Vice President of Students Services
Gogebic Community College
E4946 Jackson Road
Ironwood, MI 49938 Telephone: (906) 932-4231 ext 212

The Americans with Disabilities Act of 1990, as amended, prohibits discrimination on the basis of disability, and protect qualified applicants and employees with disabilities from discrimination in hiring, promotion, discharge, pay, job training, fringe benefits, and other aspects of employment. The law also required that covered entities provide qualified applicants and employees with disabilities with reasonable accommodations that do not impose undue hardship. The law covered applicants to and employees of most private employers, state and local governments, educational institutions, employment agencies and labor organizations.

ORIENTATION

All incoming freshmen and transfer students are required to attend orientation activities on campus. The purpose of orientation is to acquaint students with the college, their program of study, rules and regulations, study techniques and other procedures necessary for a satisfactory beginning. Students also meet with their academic advisors and register for classes as part of this activity.

As a major part of formal orientation, students enroll in ORI 100, The College Experience, a one credit orientation course. In this course, students are given credit for orientation activities attended during the registration period. The balance of the course is held during the early weeks of the student's first semester on campus. Through the orientation process, students become familiar with the campus, meet student leaders, administrators and faculty, and explore their program of study with their academic advisors. For additional information on The College Experience course, consult the course description for ORI 100, available in the catalog or contact the course instructor.

POLICY OF COMPLIANCE WITH FEDERAL LAW

It shall continue to be the policy of Gogebic Community College not to discriminate on the basis of race, color, religion, national origin or ancestry, age, sex, marital status, disability, political affiliation or belief in educational programs, activities, or services, and to comply with all requirements and regulations of the U.S. Department of Education. All students shall have an equal opportunity to participate in and benefit from all academic and extra-curricular activities and services.

It shall continue to be the policy of this school district to make all employment decisions in a non-discriminatory manner. No decision as to hiring, assignment, promotion, transfer, layoff, termination, or reinstatement shall be

made on the basis of race, color, religion, national origin or ancestry, age, sex, marital status, disability, political affiliation or belief. Equal pay shall be given for the performance of jobs requiring equal skill, efforts, and responsibilities.

REFUND POLICY

1. Students who officially drop from class(es) prior to the last day of the official registration period of the semester enrolled shall qualify for a tuition/fee refund of 100%. No refunds after the last official drop date for the course(s).
2. Refunds are made to students only after the student completes a Drop Form with the Vice President of Students Office. Failure to obtain official release can result in failing grades and loss of tuition/fee refund privileges in effect at the time of withdrawal.
3. For students on approved financial aid through the college or aid through other external agencies that mandate recovery or financial assistance, refunds will be made in accordance with related requirements.
4. Classes canceled by the college shall qualify for a 100% refund of tuition and fees.
5. Appeals concerning the refund policy should be referred to the Vice President of Students in writing prior to the end of the semester in which the course is offered.
6. Payments received for tuition and fees are refundable to veterans in accordance with the same refund policy stated above.

RETURN OF FINANCIAL AID - FEDERAL FINANCIAL AID REFUND POLICY

If you withdraw, drop out, quit attending or are dismissed, you may be required to pay all or part of your financial aid back to the individual financial aid programs. You may also owe a payment to the college for your tuition, fees and/or books. All schools are required to use specific refund calculations when a student totally ceases attendance during the academic year.

The Financial Aid Office will review your financial aid eligibility at the time of withdrawal. The withdrawal date is the date you completed the withdrawal process or officially notified GCC of your withdrawal. If you quit attending without notifying GCC, the midpoint of the semester may be used as the withdrawal date. GCC may always, at its option, use your last date of attendance at a documented academically related activity in lieu of any other withdrawal date.

The amount of your financial aid that may need to be returned to the programs, along with the amount you may owe the school will be calculated according to a federal formula. You will be notified of any payment obligations you may have. A copy of the federal formula can be obtained from the GCC Financial Aid Office.

REGISTRATION

All students must complete regular admission requirements before they will be permitted to register.

Specific information concerning registration is sent to all currently enrolled students and incoming freshmen. Registration procedures and information are published on Facebook and in correspondence from the college to new and current students.

As a part of the process of admission, each student enrolled in a program of study is assigned to a Student Services and a faculty advisor who will assist and advise the student in choosing a class schedule and an academic plan.

The 5th instructional day of the semester is the last day any student may register for regularly scheduled classes during any semester. The 5th calendar day is the last day a student may drop a regular full semester course.

The Vice President of Students acts as the Registrar. It is the Registrar's duty to preserve the academic integrity of the institution and to establish and maintain accurate permanent academic records. The Registrar is also responsible for evaluating transcripts of transfer students and for the certification of graduation requirements.

REPETITION OF COURSES

When a student repeats a course in which s/he earned a "D" or "F", the record made in repetition will supersede the first record, thereby making it possible to improve the cumulative grade point average. The student is reminded, however, that the first grade will continue to be on his/her record although it has been superseded in the grade calculation by the second grade.

When a student repeats a course in which s/he has earned a grade higher than a "D+", the original grade will continue to be used in the calculation of the cumulative grade point average and the new grade will be excluded from the calculation. Both grades will be reflected on the academic transcript.

RIGHT OF REVISION

The college reserves the right to change without notice any curricula, courses, faculty, tuition, fees, policies, and rules. If courses and curriculum changes take place after students commence a program of study, the college will make efforts to implement the changes in the student's best interest.

SCHEDULE OF PAYMENTS

Tuition and fees must be paid in full by the specified payment deadlines for each semester. The college may elect to cancel enrollment and shall withhold information on academic transcripts for students who fail to meet financial obligations in a timely manner. If you have registered early, full payment is due by the date noted on your billing statement. For students who have not pre-registered, full payment is due by the end of the first week of courses.

Payment policies are based on the view that a student registering for a class is reserving a seat in the class and that tuition and fees cover the opportunity to have a place in that class. Since no other person can purchase that seat, the student is responsible for the tuition and fees. Nonpayment of tuition and fees by the due date gives GCC the right to cancel your classes.

If you are planning on utilizing financial aid for payment, your file must also be complete by that date. Failure to comply with this policy will result in the cancellation of your classes. You will then need to register during the regular walk-in registration period at the beginning of the semester, making full payment at that time. Your financial aid file must be complete by noon on the Wednesday prior to the start of classes if you are using financial aid to pay for your tuition. If your file is completed after this date, you will be reimbursed based on the amount of your financial aid eligibility.

Recognizing that unusual circumstances sometimes arise and you are unable to make full payment by the due date or you do not have your financial aid file complete, you may use the college's payment plan. Arrangements for doing so can be made with the Business Office prior to the payment due date.

You may use cash, check or credit card when paying your outstanding charges. Payments are submitted by mail or in person to the Business Office in Room 209 of the Rutgers Erickson Academic Building or by calling 906-932-4231, ext. 205.

TRANSFER INFORMATION

Colleges and universities across the United States have certain general education requirements of their own. The Transfer Coordinator, located in the Vice President of Students Office, maintains records of these requirements and can advise the student preparing for transfer. Information can also be obtained from faculty advisors.

In general, however, any student who receives an Associate of Arts or an Associate of Science degree from Gogebic Community College is not required to pursue further General Education requirements at most four-year colleges and universities in Michigan.

Gogebic Community College participates in the MACRAO (MI Association of Collegiate Registrars and Admissions Officers) Transfer Student Agreement and will identify transcripts of students completing MACRAO requirements with the statement, "MACRAO Transfer Agreement Satisfied."

To help students planning to transfer to a baccalaureate college or university, a number of aids are available: Catalogs, curriculum guides, applications for admission, scholarship applications, internet links, and conferences with representatives from regional schools.

How to transfer:

- Obtain an application form from the Transfer Coordinator (located in the Vice President of Students Office). Early application for transfer is recommended.
- Fill out applicable portions of the form completely.
- Have an official transcript of your academic record sent to the next college you plan to attend. A TRANSCRIPT REQUEST FORM MUST BE COMPLETED AND SIGNED FOR THIS PURPOSE in the Vice President of Students Office.
- Explore financial aid application procedures and pursue transfer scholarship opportunities.

VETERANS REFUND POLICY

Payments received for tuition and fees are refundable to veterans in accordance with the same refund policy stated under "REFUND POLICY."

WITHDRAWING FROM COLLEGE

1. A student finding it necessary to withdraw from college after the official Drop and Add period must complete a drop form and file a Withdrawal Form with the Vice President of Student Services Office. Failure to obtain official release can result in failing grades in all courses.
2. Withdrawing from college can have an effect on current and future Financial Aid, including Veterans benefits. Refer to the Financial Aid section of the catalog for more information.
3. A student can be withdrawn from a course/class for the reason of non-attendance.

Student Organizations

A.D.A.P.T.

A.D.A.P.T. is a Gogebic Community College Student Organization that provides GCC students with alternative non-drug related activities, encourages drug information curriculum infusion, and works with other community drug abuse prevention organizations. If you would like to join A.D.A.P.T., please see the Career Counselor in the ACES Center, who serves as advisor for this group.

THE CHIEFTAIN COLLEGE NEWSPAPER

The GCC newspaper is the student college publication. The newspaper provides information relating to different aspects of the students' lives—academic news, opinions, entertainment, and classifieds. Contributions in the form of unbiased reporting, personal opinions, creative writing, arts, and classified advertisements are accepted from current GCC students, faculty, and staff.

If you are interested in collaborating on the college newspaper as a writer, photographer, copy editor, or graphics designer, please inquire with Instructor Ryon List.

CHRISTIAN ORGANIZATIONS

These organizations are support and social groups open to all students and faculty interested in strengthening their spiritual life by studying the *Bible* and Christian living.

Students who are interested in joining should watch for posting of the first meeting.

INTERCOLLEGIATE ATHLETICS

Gogebic Community College is a member of the National Junior College Athletic Association, Division II, Region XIII. The intercollegiate athletic program includes men's basketball and women's basketball. The college competes

with other two and four-year colleges in the Upper Peninsula, Northern Michigan, Wisconsin, and Minnesota. Contact the Athletic Director

INTRAMURAL SPORTS PROGRAM

The Gogebic Community College Intramural Sports Program gives students the opportunity to participate in a wide variety of sporting activities: basketball, bowling, cross-country, golf, razzle dazzle football, softball, tennis, and volleyball. Most events are co-ed, with separate men and women's divisions for cross country, tennis, and golf. To find out more about joining an intramural activity, contact the Lindquist Center Director.

PHI THETA KAPPA HONOR SOCIETY

Phi Theta Kappa is an internationally recognized Honor Society for students at regionally accredited two-year colleges. Established in 1918, Phi Theta Kappa is as prestigious as its counterpart, Phi Beta Kappa, the renowned honor society for students at four-year colleges and universities. Gogebic Community College chartered Alpha Rho Chi, its chapter of Phi Theta Kappa, during the Spring Semester of 1990.

Acceptance into Phi Theta Kappa requires a student to possess a 3.5 Cumulative Grade Point Average with 12 or more college level credits and maintain a 3.25 GPA thereafter. Students receive a letter extending an invitation to the Honors Society. Membership in Alpha Rho Chi facilitates enhancement of leadership, service, scholarship, and fellowship activity. Members become eligible for scholarships to various four-year institutions, and are more likely to get involved with campus and community events. Members receive an Honors stole and special recognition at Commencement.

Participation in the Honors Society is voluntary and not required; however, the more active the chapter, the more likely Alpha Rho Chi will establish a coveted Five-Star status warranted by Phi Theta Kappa Headquarters. Students work under an Honors Topic and Service Program every two years to aid them in strengthening the Alpha Rho Chi chapter. Alpha Rho Chi is committed to fostering and preserving academic excellence, and its strength is in its members.

STUDENT SENATE

The Student Senate provides GCC students the opportunity to participate in self-government. The objective of the Student Senate is to teach its members, through active participation in college government, responsibilities and duties to their fellow students and to the college. The Student Senate promotes student interest in the college as a whole. It fosters understanding among the faculty, students, and administration, and often serves as a representative of student opinion when issues need to be resolved.

Students who are interested in becoming Student Senate members should contact current Student Senate members in the Student Senate office in the Lindquist Student Center or the Vice President of Students
