

Federal Work Study Tech Work Study

Gogebic Community College is seeking students for a part-time position in the IT/Computer Services, eSports and Computer Science as a Tech Work Study.

This position pays \$12.00 per hour and may provide up to 5 hours per week.

It is important that there is recognition, acceptance, and adherence to the GCC mission and philosophy from our Federal Work Study employees.

Gogebic's Mission

Gogebic Community College is a learning community that contributes to academic, cultural, economic, and social success for our students and region.

Job Description:

- The Tech Study student work study position will work with IT / Computer Services department, eSports, and Computer Science faculty to help troubleshoot simple computer issues throughout campus during standard hours of operation. Ideally, we are hoping to have a Tech Study team of 2-3 student employees at the same time, so that they can work together on issues and projects. They will serve as the front lines, during their scheduled hours, to help serve fellow students with phone and laptop issues, such as: setting up email on a smart phone, access GCC accounts properly, troubleshoot laptop or phone issues, and printing issues

Minimum Qualifications:

- Preferred qualifications include an enrolled student in Computer Science, or a the Business Division, with an interest in learning technology. We will also accept interested students who are part of the eSports team, but also hold an interest in learning technology.
- In the event that we get a large amount of interest, we may request a letter of interest, as well as an interview.

Education/Career Related Benefits:

- Benefits include: working with a high performing agile IT team, learning valuable skills for the job market, exposure to a collaborative, team based work environment, independence in problem solving.
