

**Student Non-Tax Filer
Verification Worksheet
2023-24 Academic Year**

Your student aid application was selected for review by the U.S. Department of Education. Gogebic Community College is required by federal law to compare your application with information on this worksheet and with your 2021 federal tax documents. This also includes your parents' information if you are considered dependent for federal aid purposes. If there are differences, your FAFSA information will need to be corrected.

Upon file review, the necessary corrections will be submitted to the Central Processing System and you will receive a revised Student Aid Report (SAR) including the required adjustments to your Expected Family Contribution (EFC).

If you have any questions regarding the verification process, please contact the Office of Student Financial Aid as soon as possible so your financial aid will not be delayed.

Complete and sign this worksheet, attach any required documents, and submit the form with the attachments to the Office of Student Financial Aid.
