

## Placement in Employment – December 2018 and May 2019 Graduates

Source: Graduate Survey

### Job placement rates:

72% of the associate degree graduates reported being employed (with 17% transferring).

71% of the certificate graduates reported being employed.

### Types of jobs obtained by our graduates:

- Administration Assistant
- Automotive Mechanic
- Business Administration
- Computer Programming
- Commercial Truck Driver
- Cosmetology
- Criminal Justice
- Medical Coding and Billing
- Medical Office Professional
- Nursing
- Preschool/Childcare
- Ski Area Management
- Welder

### How job placement rates are calculated:

*Select graduates who answered the employment status question on the Graduate Survey and Graduate Follow-up survey.*

*Number of graduates who reported being employed / Total number of graduates responding to employment status question = Job Placement Rate.*
