Completion/Graduation and Transfer-out Rates for Students Receiving Athletically Related Student Aid

The Student Right to Know Act requires all colleges and universities participating in Title IV, HEA Student Financial Aid programs that enroll students who receive athletically related student aid to disclose and make available the completion/graduation and transfer-out rates for the students receiving athletically related student aid.

Gogebic Community College is in compliance with these Title IV requirements. *The number of GCC students that receive athletic financial aid in the respective entering cohorts, for each sport, is five or fewer students.* Our data is not to be disclosed because of this. Every year our data is re-evaluated to verify the disclosure status.
