

Federal Student Loan Request Form
2021-22 Academic Year

Return this document to the GCC Financial Aid Office after completing all three steps.

Name: _____ GCC ID#: _____

SSN: _____ Date of Birth: _____

Before completing this form, review your financial aid offer letter, estimated tuition, fees, and living expenses, your total student loan debt to date, and your expected monthly loan payments after graduation.

Step 1: Enter the amount that you want to borrow for the 2021-2022 academic year. This includes the Fall and Spring semesters. \$ _____

Returning students: You do not have to complete Steps 2 and 3 if you have received a federal student loan at Gogebic Community College within the last nine years.

Step 2: Complete your Loan Entrance Counseling online at studentaid.gov. Under Complete Aid Process, select "Complete Entrance Counseling." Log in with the FSA ID that you used to complete the FAFSA.

Step 3: Sign your Master Promissory Note online at studentaid.gov. Under Complete Master Promissory Note, select "Subsidized/Unsubsidized Master Promissory Note."

I have read the enclosed material and understand the student loan policies and procedures of Gogebic Community College. I also understand that if I fail to repay the student loan I will be considered in default, which will result in serious consequences such as garnishment of wages, collection agency activity, etc. I also understand that I may not be eligible to receive a student loan during part of my enrollment at GCC if I borrow the maximum as a part-time student, that federal loans may only be used for educational expenses, and that GCC reserves the right to refuse to certify my loan or certify a loan for an amount less than my total eligible amount. Furthermore, by signing this document, I grant Gogebic Community College permission to make corrections to my Free Application for Federal Student Aid (FAFSA) information as necessary.

Signature: _____ Date: _____

Table with 4 columns: FA OFFICE USE ONLY, Certifying Official, Date Certified, and an empty cell.
